- 4) To develop procedures for noting and reporting incidences of bullying behaviour.
- 5) To develop procedures for investigating and dealing with bullying behaviour.
- 6) To outline the program of support for those affected by bullying behaviour and for those involved in bullying behaviour.
- 7) To reduce and wherever possible to eradicate incidences of all types of bullying.

Statement of Intent

At Uphill we are committed to treating our children with respect and understanding, and to providing a supportive, caring and safe environment for all of our pupils and staff so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school and will not be tolerated. If bullying does occur, all pupils should feel able to tell a member of staff and know that incidents will be dealt with promptly and effectively. We are a “telling Academy”, which means that anyone who knows that bullying is happening is expected to tell a member of staff.

What is Bullying?

Bullying is the repeated deliberate hurtful behaviour, occurring over a period of time, conducted by an individual, or a group, against others. It may occur frequently or infrequently, regularly or irregularly. It is often premeditated and purposeful. There are different types of bullying:

- Physical (pushing, hitting, kicking, any type of violence, & theft)
- Verbal (name calling, teasing, sarcasm, nasty comments)
- Racial (racial taunts, gestures)
- Sexual (unwanted physical contact or verbal comments)
- Indirect (spreading rumours, excluding someone from social groups)
- Cyber-bullying (using ICT to support or enable bullying, for example via email, text message, chat rooms, social networking sites, websites).

An isolated incident could be deemed serious enough to be dealt with through the policy.

Developing Awareness and Understanding of the Issue of Bullying

- 1) Through the Citizenship curriculum (in Key Stages 1 and 2), and the Personal, Social and Emotional Development curriculum (in the Foundation Stage), pupils will address the issue of bullying behaviours and what to do if:
 - a. they are being bullied or
 - b. they know/suspect that someone else is being bullied.
- 2) We will participate in the annual (November) anti-bullying week

- 3) Pupils will be reassured that Uphill Village Academy is a “telling Academy”, which means that anyone who knows that bullying is happening should tell a member of staff, and they will address the issue.
- 4) Staff will address the development and implementation of positive, appropriate and acceptable behaviours, principles and morals openly and regularly throughout the year during assemblies. Class teachers will follow this up as appropriate.
- 5) Staff will develop their awareness of the issues of bullying, and the Academy’s ethos that everyone has a responsibility for the safety of others through training during staff meetings or INSET days if appropriate.
- 6) The Academy’s anti-bullying policy will be available to parents should they request it.

Procedure for Noting and Reporting Incidences of Bullying Behaviour

- 1) Anyone who knows that bullying is happening is expected to tell a member of staff in accordance with our “telling Academy” ethos.
- 2) All reports of bullying, no matter how apparently trivial, will be recorded on CPOMs by the member of staff told.
- 3) At lunch time, staff must report incidents of bullying behaviour in the first instance to the class teacher.
- 4) Serious cases of bullying behaviour by pupils will be referred immediately to the Vice Principal /Principal.
- 5) In serious cases of bullying, parents or guardians of victims or bullies will be informed by the Vice Principal/Principal earlier rather than later so that they are given the opportunity of discussing the matter.
- 6) In the case of a complaint regarding a staff member, this should be raised with the Vice Principal/Principal.

Statutory Duty of Schools

Principals have a legal duty under the School Standards and Framework Act 1998 to draw up procedures to prevent bullying among children and to bring these procedures to the attention of staff, parents and children. These procedures form part of our Behaviour policy as well as the overall ‘culture’ in our academy and pastoral support for all children.

Implementation

Academy

The following steps may be taken when dealing with incidents:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached.
- Where the bullying persists, a clear account of the incident will be recorded and given to the Vice Principal/Principal.
- The Vice Principal/Principal will interview all concerned and will record the incident.
- Parents will be kept informed.
- Behaviour support measures will be used as appropriate and in consultation with all parties concerned.

Children

Children who have been bullied will be supported by:

- offering an immediate opportunity to discuss the experience with a member of staff
- providing reassurance
- offering continuous support
- restoring self-esteem and confidence

Children who have bullied will be helped by:

- discussing what happened
- discovering why the child became involved
- establishing the wrongdoing and need to change bullying behaviours
- informing parents or guardians to help change the attitude of the child's bullying behaviours

The following disciplinary steps can be taken:

- official warnings to cease offending
- exclusion from certain areas of academy premises
- minor fixed term suspension
- major fixed term suspension
- permanent exclusion.

Within the curriculum the academy will raise the awareness of bullying through inclusion in PSHE, assemblies and subject areas, as appropriate, in an attempt to eradicate bullying behaviours.

Monitoring, Evaluation and Review

The academy will review this procedure annually and assess its implementation and effectiveness. It will be promoted and implemented throughout the academy. A child friendly version of this policy will be available for children.
