

## Wednesday 25<sup>rd</sup> November 2020

The worksheet is designed to progressively challenge all levels of confidence in a given topic. As such, please do not think that you have to complete all of it. Spend between 20 to 30 minutes on it which should allow you to find a suitable level of challenge.

### **Lesson 3: The 3 times table**

To access the resources please press and hold 'Ctrl' on your keyboard and right click the relevant link.
