We will be conducting full bag checks which can slow down entry, therefore please don't bring a bag unless it's essential.

It's best for everyone if you don't bring a bag at all. If you need to for essentials only, customers will be permitted 1 bag that meets the criteria:

## ARRIVE IN GOOD TIME

Due to extra safety and security measures when entering the venue, we strongly recommend that you arrive in good time to allow for a swift entry. This will enhance your experience and safety whilst here at Resorts World Arena!
