

Can you still...

Remember the name of our country?

Remember the name of our continent?

Remember the name of our climate?

We are going to be comparing our area in south west England to another country in a different continent.

Is Asia bigger or smaller than Europe?

Does it have more or less countries?

How far away is India?

How long would it take to travel there?

India

<https://www.bbc.co.uk/bitesize/clips/z4fr87h>

What did you learn from the video?

What similarities and differences can you notice already?

What is their climate like?

Where is New Delhi?

- New Delhi is located in the Northern part of India. The Capital city of India only takes up a small area of the region of Delhi.
- The official language in India is Hindi.
- नमस्ते (namastē) means hello.
- और अलविदा (aura alavidā) means goodbye.

What is the landscape of New Delhi like?

New Delhi nearly landlocked which means that the city does not boarder any seas. However it does have a small part of the river Yamuna running through it.

New Delhi has a huge population of **16,753,235** and so is packed with many buildings of different sizes. Most people live in apartments and flats.

What type of photo is this?

Is the landscape flat or hilly?

School life in New Delhi...

- New Delhi is home to thousands of schools including primary schools, high schools and many colleges and universities.
- Although most children attend school in New Delhi there are some children who are too poor to go to school.

Things to see in New Delhi

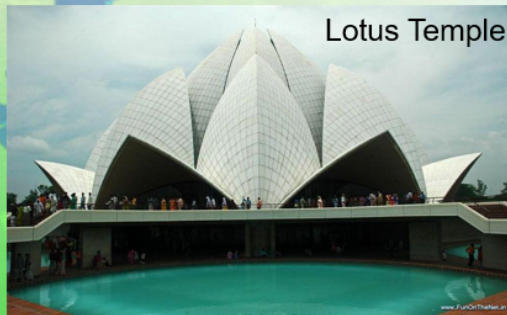

There are many tourist attractions in New Delhi...

Swami Narayan Temple,

Humayun's Tomb

Parliament house

Lotus Temple

And much more...

Task: Can you sort the photos into our local area and New Dehli and then into physical and human features

Task: Can you write a postcard from New Dehli describing what it is like over there?

Essential question: How is my country different?

Do you think everywhere in
the world is the same?
