

Write the numbers shown on the ten frame in numerals and words.

Show fourteen on the tens frame

Show sixteen on the tens frame

Match the numbers to the words.

seventeen

15

twenty

12

fifteen

17

twelve

20

8b. Ben thinks of a number.

My number is between twenty and seventeen.

What could Ben's number be? Give your answer as a number and a word.
