SATs Breakfast

Dear Parents/Carers,

As you know SATs week begins this coming week on Monday 13th May.

We would like to recommend that you aim for your child to have a fairly restful weekend and as much sleep as possible on the Sunday night because the week can be intense.

It is **ESSENTIAL** that your child comes to school every day this week to complete all their tests.

To help support your child, we would like them to arrive at school **Monday-Thursday between 8:00am and 8:15am in Pegasus classroom**, where we will provide a breakfast free of charge.

Not only does this give everyone the energy they need but it also calms any nerves and ensures that all children are here in plenty of time: some tests need to start **BEFORE 9:00am**.

We have consulted the lists of allergies that we have on file for each of your children and will serve food in accordance with this. We wish to inform you that there will be food that may contain nuts. If you have any concern about this, please let us know **today**.

We want them to be as successful as they can be for themselves making them ready for secondary school.

Thank you in advance for your support.
