The Year 6 prefects in Unicorn class are **reading ambassadors** for the school. This involves spreading an awareness and love of reading with everyone at Uphill. They have read to younger children, recorded themselves reading their best-loved books and are prepared to showcase the importance of reading in assembly.

Take a look at some of the books recommended by Year 6 children in Unicorn class. There is a book choice suitable for all ages at Uphill Primary school. To listen to the book, or a chapter of the book, being read by a year 6 child, look on:

Did you know reading makes you a better writer?

When you read, your brain absorbs good writing techniques and vocabulary. In your own writing, you will unconsciously copy the writing styles of books that held your attention. Reading also enhances your vocabulary and spelling.

Did you know that reading is good for your brain?

"Reading is to the mind what exercise is to the body." It also challenges your imagination. Your brain goes beyond the words on the page. "A great book should leave you slightly exhausted at the end. You live several lives while reading."
